STÉARINERIE DUBOIS

FEST & STICK
N°80277

FEST & STICK, your festival ally. Rise and shine with glitters by applying this easy-to-use and nomad stick all over the face.

DUB SNA VE combined with DUB DIOL will improve stick consistency and thickness.

DUB ESTOLINE, one of the most functional esters from the DUBOIS range, will form hydrating barrier on the skin. It will also prevent the skin from pollution damages and will bring binding properties to the formula.

PHASE	RAW MATERIAL NAME	INCI UE	FUNCTIONALITIES	SUPPLIERS	%
A	DEMINERALISED WATER	AQUA	LOW COST !	MISCELLANEOUS	43,45

PROCESS

Heat A at 85°C. Add B in A. Add C, D, E, F and G one by one always at 85°C.
Add H and I.
Stop heating and add J, homogenized under slow stirring.
Put in jar between 60°C to 65°C.
